

The Carriage House Coffee Shop
34 North Main Street, Jasper, GA
706-253-7383

By far the best-known and most popular coffee shop in Jasper is the Carriage House, right in the center of town on Main Street. Open only for breakfast and lunch, you can get anything from a cup of coffee and a fresh baked muffin for breakfast, to a delicious and filling meal at lunchtime.

House Manager Dawn Popadics reports that the most popular luncheon choice is the turkey melt sandwich. This comes with fruit, pasta salad, or sun chips... and be sure to leave room for a slice of home made pie. Also very popular are the meatloaf sandwich and the Monte Cristo.

Carriage House does not have a liquor license, but you can get several types of special coffee or tea, or a soft drink. Hours are from 6:30 AM to 2 PM every day.

Directions to Carriage House: South on Steve Tate to the roundabout, then West on Cove Road into Jasper. At the four-way stoplight turn right on Main Street and park on your right.
